

BOARD OF DIRECTORS

Powell Medical Foundation is governed by a volunteer board of directors within the framework of an agreement between Powell Valley Healthcare and the Foundation. This separation guarantees donors that:

- ◆ designated gifts will be used solely for their intended purpose,
- ◆ there is accountability for uses of unrestricted funds,
- ◆ all records will remain confidential as donors wish, and
- ◆ the Foundation is free to make investment decisions regarding the funds it manages.

EXECUTIVE COMMITTEE

Beryl Churchill, President
